Eligibility

To be eligible for the All Iowa Opportunity Scholarship, applicants must meet the following requirements:

- The applicant must be an Iowa resident who begins initial enrollment at an eligible Iowa college or university within two academic years of graduating from high school or receipt of a high school equivalency diploma, and remains enrolled continuously from year to year.
- The applicant must be enrolled in at least three semester hours (or the trimester or quarter equivalent) in a program leading to an undergraduate degree.
- The applicant's Expected Family Contribution (EFC) on the Free Application for Federal Student Aid (FAFSA) must fall below the eligibility level determined annually by the Iowa College Student Aid Commission.

The Commission's administrative rules give priority to applicants who have participated in certain federal TRIO programs that provide services to individuals from disadvantaged backgrounds. Priority is also given to applicants who graduate from alternative high schools or alternative high school programs.

The Commission's administrative rules also give priority to applications received by a deadline specified by Commission staff, generally March 1. Applications received after that date are considered if funding remains after all renewals and eligible priority applications have been processed.
